RE: Final Response to Items 4 of June 12, 2023 IPRA Request

Dear Mr. Sierra,

Attached you will find documents to update the Board's IPRA Response, which was provided to you on June 27, 2023 (after the initial letter in response was provided to you on June 13, 2023) notifying you that the Board required additional time to respond to Item #4. The request you made was as follows:

4. *Please include the genealogy report for Myria Trini and her mother who just recently received property deeds according to the minutes of the meeting discussing deeds.*

Pursuant to NMSA §24-14-27 NMSA vital records such as birth certificates and death certificates are confidential and not subject to disclosure under the Inspection of Public Records Act, accordingly three (3) birth certificates are not being provided in response to this request. The Board has located other responsive documents pertaining to Item #4 of that request, which are attached to this letter. Those documents have been redacted to remove any personal identifiers or information that was provided in association with the exempt vital records.

Sincerely,

Andrea La Cruz-Crawford
